

DeLaRue

PAPERMAKING TEAM LEADER (SHIFT)

As the world's largest integrated commercial security printer and papermaker, De La Rue is a trusted partner of governments, central banks, issuing authorities and commercial organisations around the world.

Our banknote manufacturing site at Overton, Hampshire currently has an opportunity for a **Papermaking Team Leader (Shift)**

We are looking for a high calibre team leader to become part of a forward thinking manufacturing team determined to assure the continuing success of banknote paper manufacturing at Overton.

The successful candidates will be responsible for leading and coordinating the activities of approximately 20 people to ensure that the planned output of paper is manufactured to the specific standards within budget and targeted waste levels and following security protocol.

To be a successful Papermaking Team Leader you will have experience in managing a team and experience within a manufacturing environment (paper manufacturing is desired but not essential) with the ability to demonstrate your understanding of complex manufacturing processes. You will have a good understanding of world class manufacturing techniques, such as 5s & specific problem solving strategies and an appreciation of the importance of health, safety and environmental issues in a manufacturing operation. With this experience and knowledge under your belt the key to your success as a Team Leader will be your ability to lead and motivate your team in achieving business objectives which will be demonstrated through your excellent communication and interpersonal skills.

If you feel that you have the skills and attributes required please send your CV and letter of application to sukhi.ajla@uk.delarue.com
