

FOURSTONES PAPER MILL CO LTD

Specialist Papermakers since 1763

The Fourstones Group is a privately owned, ambitious, rapidly growing business operating in the AFH Tissue and Speciality Creped Paper sectors.

Due to retirement we are seeking an experienced

ENGINEERING MANAGER

to take on full responsibility for the mechanical, electrical and instrument functions at our 2 sites near Hexham in Northumberland.

The successful candidate will be able to lead by example and have the ability to motivate and develop a Multi-skilled Engineering team in order to drive the business forward.

Experience in Paper Mill Engineering, High Volume Converting Operations and Project Management will be a distinct advantage.

A competitive salary package and the opportunity for career progression in a rapidly growing business will be offered to the successful candidate.
