

Michael Morley

It was with considerable sadness that the PITA Office has learnt of the death of Michael Morley, a long standing supporter and member of the Association.

Michael will be known to many members of the Association through his involvement in the South of England and his work with ETSU, which brought him into contact with many of us and a full obituary will appear in the December edition of Paper Technology.

His funeral will be held on Thursday, 27th November 2008 at 2:30 pm at St Laurence Parish Church, Ventnor on the Isle of Wight.
