EXECUTIVE SEARCH AND INTERIM MANAGEMENT TO THE PRINTING, PACKAGING AND PAPER INDUSTRIES

Costs are important in this business climate. But why take the risk of hiring the wrong person? Page Overton will help you to minimise this risk. If you have a freeze on recruitment, but are frustrated because you are unable to recruit the right skills and experience, have you considered hiring an Interim Manager? Page Overton has the only Interim register specific to our industry and its needs. How can we help?

- A full 12-months guarantee on new appointments.
- An in-depth appraisal every 3-months following appointment.
- A full assessment of every candidate interviewed.
- Full personality and competency profiling included in our fee.
- We recruit from graduates to main board Directors. We apply the same, consistently high professional standards throughout.
- The only true full Interim Management service exclusive to our industry, for immediate placement.
- A low cost alternative of immediate placement through a comprehensive register of candidates.
- We treat both our clients and candidates with the same level of respect, discretion, and confidentiality.
- Our partners, consultants, and researchers, have over 150 years of combined experience of our industries.
